

safety circle

CAUTIONS:

May cause irritation to skin. May be harmful if swallowed. Use with adequate ventilation, protective gloves and safety glasses. Refer to MSDS.

FIRST AID:

If overcome by vapors, move to fresh air. For skin irritation, wash with soap and water. If in eyes, flush with water for 15 minutes and get medical attention. If swallowed, DO NOT induce vomiting. Give large quantities of water, then several glasses of milk. Contact a physician immediately.

STORAGE:

Store in a cool, dry place. Keep container closed when not in use. Keep out of reach of children.

INGREDIENTS (WITH CAS NUMBER):

water (7732-18-5), hydrochloric acid (7647-01-0), trade secret (none), methyl salicylate (119-36-8).

HMIS RATING:

health (3) * reactivity (1) * flammability (0) * PPI (C)

Clean as a whistle

grout cleaner and descaler

- * removes scale, dirt, and grime
- * safe on most metal
- * fast-acting
- * pleasantly scented

CAUTION:

May be harmful if swallowed. May irritate skin. Keep out of reach of children.

net contents one quart

directions

May be diluted up to 10:1 with water. Do not apply to chrome, stainless steel, or zinc.

Apply with a mop, trigger sprayer, or floor brush. When spraying, use a coarse pattern to avoid fogging the air. Wet surface before applying. Apply and soak for up to 15 minutes until desired results are obtained. Repeat if necessary. Rinse thoroughly with running water. Always spot test any surface for sensitivity before use.
